TV STATION SUMMER JOB OPPORTUNITIES

Multimedia Camp Lead Instructors & Counselors

KCAT TV15, a progressive and innovative non-profit TV station, studio and digital media center located on the Los Gatos High School campus. We are looking for a hardworking, self-motivated, reliable, and outgoing people to join our popular summer program staff! A perfect job for teachers during summer break or local college students studying television, film and digital media, as well as communication, journalism, scriptwriting and education. Your summer will be filled with learning new skills, implementing your expertise and leadership into the program, and creating a meaningful and memorable experience for campers, parents, and yourself. For program info visit: kcat.org/camp

Hours/Compensation: Daily 4-hour OR Daily 8-hour days available; Competitive hourly rate TBD
Weekly Camp dates/times: TV Broadcasting Camp June 10-Aug 9 (no camp 7/1-5) M–F, 9am-1pm
Movie Camp and Podcasting June 10-Aug 9 (no camp 7/1-5) M–F, 1-5pm

LEAD INSTRUCTORS & COUNSELORS

As the head of the classroom, **Lead Instructors** take students on a journey into the world of broadcasting, podcasting and/or filmmaking. They are creators, managers, and have a strong understanding of schedules and deadlines plus a genuine desire to work with and lead groups of youth. They are patient, positive, energetic, multi-taskers with a “can-do and take charge” attitude who are able to have fun! **Camp Counselors** play a critical role to assist the lead instructors in motivating and inspiring campers! They will be an important part of the daily instruction and classroom responsibilities, as well as lead recreational activities during non-instruction time. We are looking for a variety of talented people who specialize in art, props and set design, tech, postproduction and fun summer camp games. Successful Leads and Counselors have a passion for creativity, technology and working with youth and teens!

Required Skills:

Technical: Knowledge of TV studio operations and equipment, on-location filming, audio, editing, troubleshooting
Software: Adobe Creative Suite (Premier, After Effects, Photoshop, Audition), Google and Microsoft Suites
Marketing: Understand and use social media platforms; strong communication and writing skills

If interested, please reply to melissa@kcat.org with a resume and a cover letter that tells us why you are the one to join our KCAT team. Please share this with anyone you think would be interested in these opportunities. We have many roles to fill, so if you feel you are a fit, please apply. We applaud creative and adaptable self starters who produce results. Past work experience working with youth is a huge bonus!

Passing all fingerprinting and TB testing to work on a school campus is required.
